BOYS & GIRLS CLUBS
OF GREATER MANCHESTER

Hello BGCGM Families,

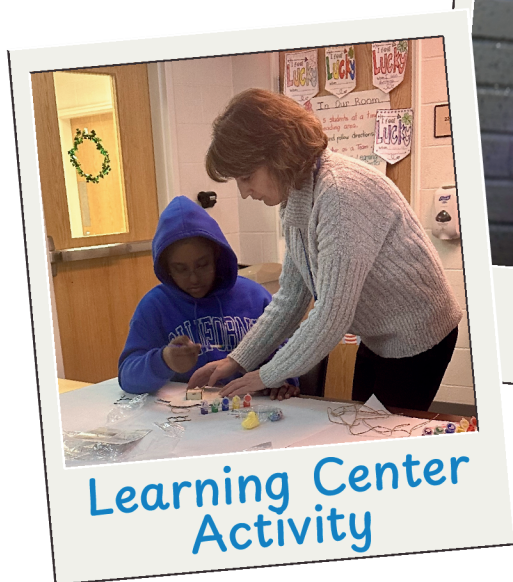

We can't believe we are a quarter through 2025. The end of the school year is quickly approaching, and summer is just around the corner.

Please be sure you are sending your child to the Club and school with the proper attire for the current days weather.

On a positive note, we are thrilled to welcome **Sherry** to our team! Sherry is our new Education Director. Sherry comes to BGCGM having spend much of her career working in the schools, as well as an ABA therapist and Multisystemic Youth therapist with juvenile justice referred youth. Sherry is excited to be stepping back into an education focused role in our Learning Center, and having a direct influence on members experience and learning.

If you are in the Club we encourage you to stop by, say hello, and introduce yourself.

Thank you,
BGCGM Programming Staff
