BOYS & GIRLS CLUBS  
OF GREATER MANCHESTER

Hello BGCGM Families,

As we head into December, we want to share a few quick reminders to help keep everyone safe and prepared this winter season. Please be sure your child comes to the Club with warm clothing: coats, hats, gloves, boots, snowsuits, etc., so they can enjoy outdoor time comfortably. Without the proper clothing, members will not be able to go outside.

With our first winter storm behind us, please remember that any delays, early releases, or Club closings will be communicated through email and posted on WMUR and our social media. We encourage all families to check regularly during inclement weather.

Lastly, we have several fun holiday activities planned throughout the month, and we look forward to celebrating the season together with our members!

Wishing everyone a safe and festive holiday season!

 Happy  
**HOLIDAYS**

**Journey Andrews, Tween Assistant Director**

Journey isn't new to the Boy & Girls Club movement. She recently worked at a sister Club for 6 years, and is eager to start a new Club chapter of her life here in Manchester! Additionally, she was a member as a young child. She is excited to meet the Tween members and be a positive role model for them. Be sure to say hello if you see her around!
