Before our holiday break, we hold a Holiday Party for all Club members in grades K-5. This event includes games, toys, singing, dancing, and a visit with Santa. Our kids and their family members are also invited to enjoy a special holiday dinner.

Our teen members are celebrated with a separate holiday party just for these older members in grades 6 through 12, including games, prizes, and give-a-ways.

In addition, each year, our staff identifies Club members who are struggling as a family unit and need some additional help to make the holiday season joyous and special. Companies often join together to adopt one or more families in need, and sometimes families join together to adopt a family.
